MINI STARTER KIT

This promotional mini starter kit contains an assortment of products and business supplies. It is designed for those who already own Stampin' Up! products. It does not contain everything you need in order to demonstrate at workshop. You must use only current Stampin' Up! products when you demonstrate. The kit comes with our recommended choices of stamp sets and accessories, or you can choose an alternative selection for the items in the first section below. Page numbers refer to the 2011-2012 Idea Book & Catalogue.

RUBBER STAMPS & ACCESSORIES — Gray lines in the alternative column mean that no alternative colour is available for that item. Where the lines are white, you may choose to fill in the line to select a different item than the one recommended. If you do not make an alternative selection, we will send the item listed in the "Recommended" column.
