## THE ENVELOPE

TURN THEM FROM BORING TO BRILLIANT

Why go with boring, white, normal-sized envelopes when you can use colourful paper to create everything from itty bitty to long and skinny? Our creativity-boosting **Envelope Punch Board** makes it easy to customise envelopes in up to **66 different sizes!**

### Envelope Punch Board includes:

- An easy-to-use chart to create up to 66 different envelope sizes (including standard sizes). The measurements are provided in both inches and centimetres.
- A scoring tool in a convenient storage slot.
- Two punches designed right into the tool itself: one to make the envelope and one to round its corners.
